

WE HAVE A GREAT FONDNESS FOR OREGON'S REMARKABLE GROWING REGION, providing an exceptional opportunity to produce great wines. The people, the culture, and the viticulture are pioneering, unique, and exquisite. For these reasons we nod back to our Oregon roots as we Point North.

**I AM PLEASED TO ANNOUNCE THE SECOND RELEASE FROM OUR VENTURE IN OREGON:
*2013 Point North Oregon Pinot Noir.***

This project is an exciting return for our family to Oregon. After living in Oregon while running King Estate Winery and Benton Lane Winery, it was hard not to vision an eventual return to a very unique and special viticulture area. Together with our friend and winemaking consultant, Will Bucklin, we have a combined 35+ years of experience producing wines from Oregon.

Our goals are simple, and in line with all of the Sean Minor Wines, produce a wine of exceptional quality that exceeds expectations in terms of price to quality. The experience of our winemaking team will assure this is a reality.
