

SEAN MINOR®

California Series

Rosé of Pinot Noir

2022 – CALIFORNIA

Tasting Notes

Strawberries

Watermelon

Cherries

Rose Petals

It's such a joy creating this irresistible Rosé made exclusively from Pinot Noir. Elegant pale salmon color with fresh aromas of strawberry, cherry blossom, rose petal and juicy watermelon lead to a mouthwatering entry. Warm summer breezes enhance mid-palate nuances of crisp white peach, honeysuckle and mineral with bright tangy acidity. Flourishing cherry and raspberry notes create a perfect balance and refreshing lengthy finish enticing you to enjoy all day.

Winemaking Notes

This wine is produced using the classic saignée method, allowing juice to remain in contact with the skins for about 24 hours. The juice is “bled” from the tank before fermentation begins and inoculated on its own, in a separate tank. The wine is fermented dry developing its pink color, aromatics and bright fruit flavors.
