Tasting Notes

Kiwi

Green Apple

Grapefruit

Peach

Melon

Vibrant and juicy with aromas of fresh ruby grapefruit, citrus and tropical fruit. On the palate, the combined flavors of lush melon, fig and lime are balanced perfectly to form a crisp, mouthwatering texture. A compelling finish leads to another sip.

Winemaking Notes

Our Sauvignon Blanc fruit was 100% whole-cluster pressed to minimize astringency from the skins. Once settled, a portion of the juice was placed in small neutral French oak barrels, while the majority was moved to stainless steel tanks for fermentation. This combination allows the wine to develop a balanced level of crispness. The wine in barrels is sur lie aged and stirred consistently. The final blend was a combination of lots that provided a perfect balance of richness, bouquet and mouth feel.
