Tasting Panel
May Issue 2024

A remarkably complete and convincing red from the 2022 vintage, this is comprised of 50% Merlot and 25% each of Zinfandel and Petite Sirah. The presence of each variety can be sensed with some effort, but their integration is surprisingly harmonious. The Zin and Petite components kick in brambly berry flavors and the Merlot calms them down a bit, with delicious results. A very smart blend. - *MF*

Wine Enthusiast
June/July Issue 2024

This wine is concentrated with aromas of boysenberry, huckleberry, cinnamon, clove and violet. The palate offers blackberry jam, orange zest and cardamom that glide into tobacco leaf and a dry finish. Pair with prime rib. —*T.P.*
