This is a Sauvignon Blanc that floats like a butterfly and stings like a bee. It is punchy and pretty throughout, with flutters of wasabi and diced pineapple. It has a bright, eager energy with soft edges that belie its youth and suggests an artful winemaker.

Aromas of tart pineapple, lime and grapefruit drive the nose of this native-fermented and amphora-aged Sauvignon Blanc. The palate delivers a punch of mixed citrus and stone fruit flavors, with standout acidity and salty green herbs along the finish.
