Dec Issue 2025

Aromas of papaya, pineapple, ginger, and lemon peel drive the nose of this tropical-fruited Chardonnay. The palate brings on an element of roasted apple, barrel spice, and a more decadent mouthfeel. The finish vibrates neatly between pithy lemon peel and racy acid with flowers all over. Quite charming. —T.R.C.

The 2023 Chardonnay Sonoma Coast pours a deeper yellow hue and is ripe with aromas of custard, baked apples, preserved citrus, and vanilla. It's full-bodied, with a supple, rounded feel and a creamy texture through the finish. It feels decadent and will be at its best over the next couple of years. — Audrey Frick
