Elegant in style, with notes of gently warmed strawberry puree, cherry preserves and red licorice infused with rose hip and sandalwood on the charming finish. Drink now through 2027.— J.M.

8 Exceptional 2023 Sonoma Coast Pinot Noirs at 91+ Points

"The Sonoma Coast AVA begins on the shores of the Pacific Ocean and moves inland, even overlapping other appellations such as the Russian River Valley, Petaluma Gap, and Los Carneros. This week's Tasting Highlights covers the outstanding Pinot Noir quality from the 2023 vintage on the Sonoma Coast, which saw cool spring and summer temperatures lengthen the ripening period, allowing for fresh and concentrated wines.

Sean and Nicole Minor founded Sean Minor Wines in 2005 to make affordable, high-quality wines. Their elegant Signature Series Pinot Noir, which shows strawberry puree and cherry preserve flavors, is the lowest-priced wine in this Tasting Highlight at \$28, a significant feat in a category where single-vineyard bottlings can often fetch \$100."
