Dec Issue 2025

A very versatile Cabernet with strong appeal in both flavor and structure. Open aromas and flavors recalling Bing cherries and red berries lead the way, with just enough tannin and to provide grip in the finish and allow this to perform well either before dinner or during a meal.

— Michael Franz

Lively, with aromas of red plum, cassis, toasted vanilla, and rose petals on the nose. The flavors on the palate are fresh, with Bing cherry, blackberry, orange peel, green olives, and dried herbs followed by a juicy finish. Aerate and enjoy.

— Tonya Pitts
