A good, well-concentrated and robust blend that's full of black fruit and black pepper flavors on a moderately tannic texture. An almost chewy feel surrounds blackberry, blueberry and toasted oak flavors. Drink now or hold.

May Issue 2026

This wine offers layered aromas of red fruit, baking spice, dried florals, and Tahitian vanilla on the nose. The flavors on the palate are concentrated red raspberry, red plum, and red currant, layered with cardamom, a hint of ripe blackberry, and a kiss of bittersweet chocolate, wrapping into a silky finish. Hidden Gem.
