Dashed with white pepper and leather, raspberry, blueberry, and cherry tumble from the vivacious nose to the smooth palate, where they're balanced just so by pine needle and dried bitter-orange rind. — TP

Aromas of ripe cherries, strawberries, red plums and spices. The palate is medium-bodied with a rounded, fruit-forward mouthfeel, soft tannins, balanced acidity and a gently sweet and easygoing finish. Drink now. — JS

This is plump, with a core of lightly mulled plum and raspberry fruit that shows gentle juiciness, while red tea and anise fill in nicely through the caressing, seductive finish. Drink now through 2029. Tasted twice, with consistent notes.— JM
