This elegant and aromatic Pinot brings aromas of candied raspberry, fresh cherry and violets on the nose.

The palate offers lively acidity, plush and balanced tannin, and ripe flavors of berry coulis, orange peel, clove and cinnamon that linger across a minute-long finish. —T.R.C.

Nov Issue 2024

Already deeply delicious only a year after the grapes were still on the vine, this shows juicy, naturally sweet primary fruit recalling red and black cherries. Scents of vanilla and toast are very subtle but alluring, and a touch of wood provides welcome grip in the finish, but few tasters would guess that 50% of the French oak barrels were new. Amazingly good already, with years of development ahead. — Michael Franz
