The 2024 Grenache Rossi Ranch Invited Series pours a deep youthful ruby with magenta hue and reveals strawberry preserve, grenadine, darker fruit tones, purple flowers, cocoa, and toasted cedar. Medium to full-bodied, with approachable fruitiness, ripe tannins, and youthful grip on the finish, drink it over the next few years.— Audrey Frick

Grenache delivers a grippy,
tension-fuelled red with a softer
mid-palate of fleshy, mixed-berry fruit.
Baked berry fruit resonates from the
bouquet to the finish, and a subtle
underlying sweetness balances the
tension of this layered Grenache. Aged
10 months in 20% new French oak.
